The John Buck Company

AMENITIES

Bicycle Storage,
conference facility, day
care, fitness center,
kitchen, coworking space

Built in 1928 as the American National Bank, the building was converted to multi-tenant use after the bank vacated following a merger in the early 2000s. The property's rich history and art deco details have been carefully preserved, complemented by modern updates to its systems and technology. It is Energy Star Rated and holds LEED Gold and EBOM Gold certifications.
